

Empowering Youth to End Domestic Violence

Product Order Form

Texas Educators:

A new Texas law requires each school district in Texas to adopt and implement a dating violence policy. As part of this policy, all schools must provide students with education about dating violence.

Break the Cycle has two tools that can help educate teens about domestic violence and dating violence available for purchase. Our prevention curriculum, **Domestic Violence 101** and our education video, **Teens Speak Out: Dating Violence** can be purchased separately, or they can be purchased together for a discounted price. *All proceeds from the sale of these products benefits Break the Cycle.*
