Teen Dating Violence Awareness Month 2019

Chalk About Love

February 14th

Don't just talk about it - Chalk about it!

Get together with some friends - host an event, chalk up your campus, or public space (with permission) and spread messages and affirmations about love, consent, and boundaries.

Add a splash of color to your awareness efforts, because everyone deserves a healthy relationship! Don't forget to tag your photos using [#teenDVmonth](#) [#ChalkAboutLove](#)
